CARDINAL

67

Lucy Wilson

Mrs. Wilson,

I'm so glad you selected me to work in the office with you and Mr. Jones. This has helped me as much or more than another class would have. Best of luck and may God be with you always.

Ann Thomas

Mrs. Wilson,

After working in this busy office, I think I understand better the responsibility of you and Mr. Jones. But it has been fun! I wouldn't have missed it for anything. Love,

Ellen

Mrs. Wilson,

I hate to leave this place and all its memories, but we must move ahead to bigger and better things. I want to thank you for all the help and guidance you gave, even though you may not have always been aware of your help. Thanks for writing my recommendation for me, I sort of gooped there, didn't I? Thanks you truly for all the friendship.

Rusty Rohrer

Mrs. Wilson,

This has been the easiest year of high school. I will admit at first for a while I didn't think I was going to pull through. You have been a great friend and helper for me this year. I didn't realize how much work it takes to run a school.

Love,
Nancy

Mrs Wilson
This year has become better and better because of my friendship with you. I hope you never lose your happy smile and pleasant personality.

Best Wishes

Phil Myers

Mrs. Wilson,

It has been nice knowing you these few years at Hamilton High. I hope we will always remain the best of friends.

Don Shaw

The 1967

CARDINAL

Ms. Wilson,
Thank you so much for all the times you've written me excuses. Take it easy and for goodness sake don't break an ankle. I'll see you about the time school starts next year. I'll be home or leave.
Love,
Pat Sires

MHS - Year 'Round

The changing of the seasons — autumn into winter, winter into spring — is part of the consistent trend of a never-ending routine. This routine is symbolized in the 1967 CARDINAL.

Weekly football games, with their taste of both victory and defeat, bring autumn into reality for students and faculty alike. The oncoming of winter brings a change in activities from outdoor to indoor. Basketball games, dances, and parties are an integral part of this season. The traditional "White Christmas" program sets the holiday spirit; causing us to reflect on the old year and look forward to the new one. The emergence of spring is a cue to the seniors that these will be the last of their high school days and activities. The Senior Play, the Prom, and other events lead to the termination of our high school years here at MHS.

The seasons have come and gone, but we hope the following pages will depict our best year at Mayfield High School.

Happiness Is Memories . . .

Mrs. Wilson,

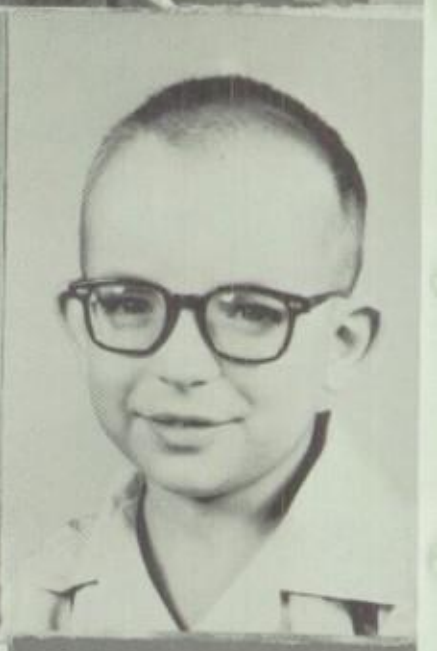
How many times have you filled out insurance forms for me? It's been a good four years, and I've enjoyed seeing your smiling face in the office. Hope to get to see you sometime in the future.

Tom Shaeber

mrs. wilson,

I wish you the best of luck always and may God bless you.

Neal Kamb



OUTS B.S.A.

FLYER

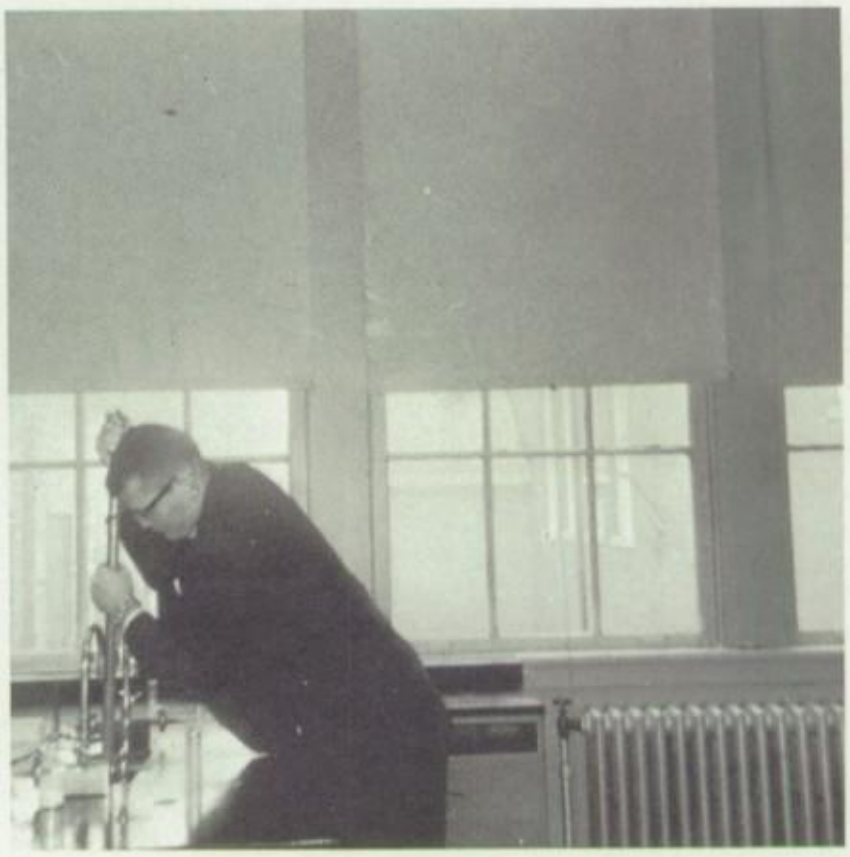
Happiness is coming in out of the cold.

Happiness is <u>not</u> being in the halls during a power failure.

Happiness is being called on to play a solo.

Happiness is <u>not</u> a reference theme.

Happiness is a chemistry experiment that works.

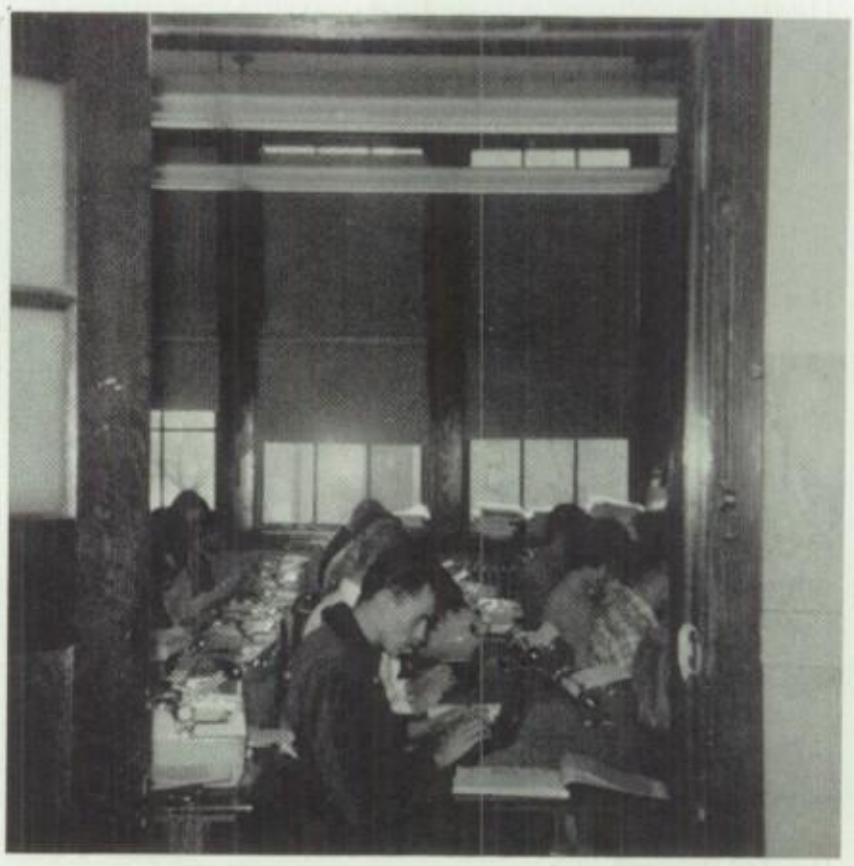


Happiness is not a stopped-up sink.

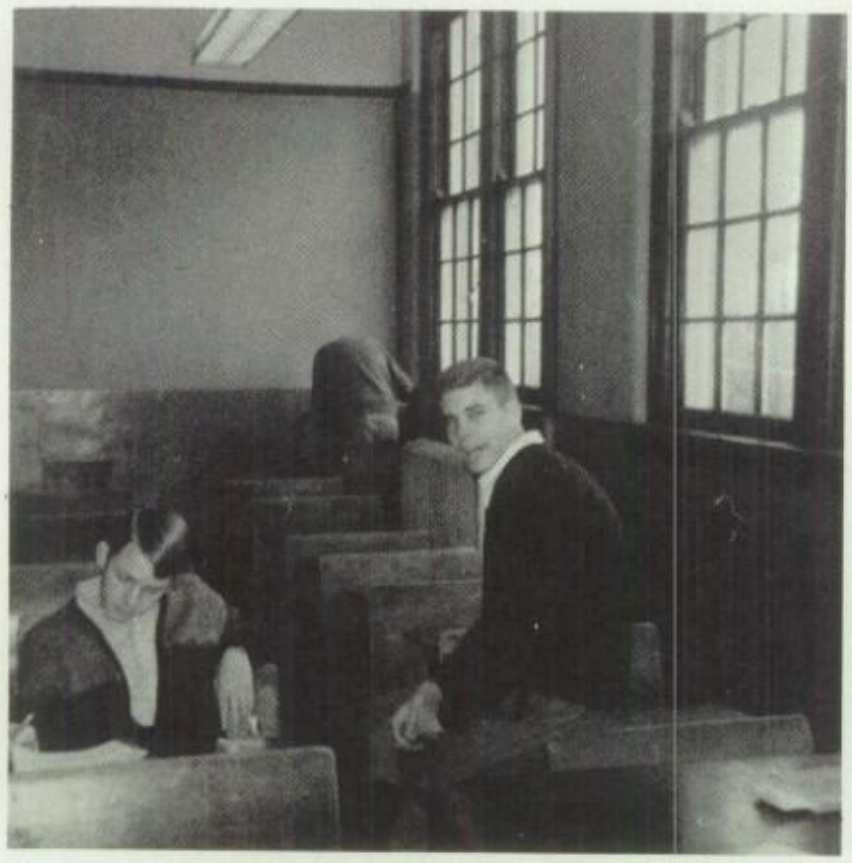
Happiness is not cramming for a test.

Happiness is school spirit!

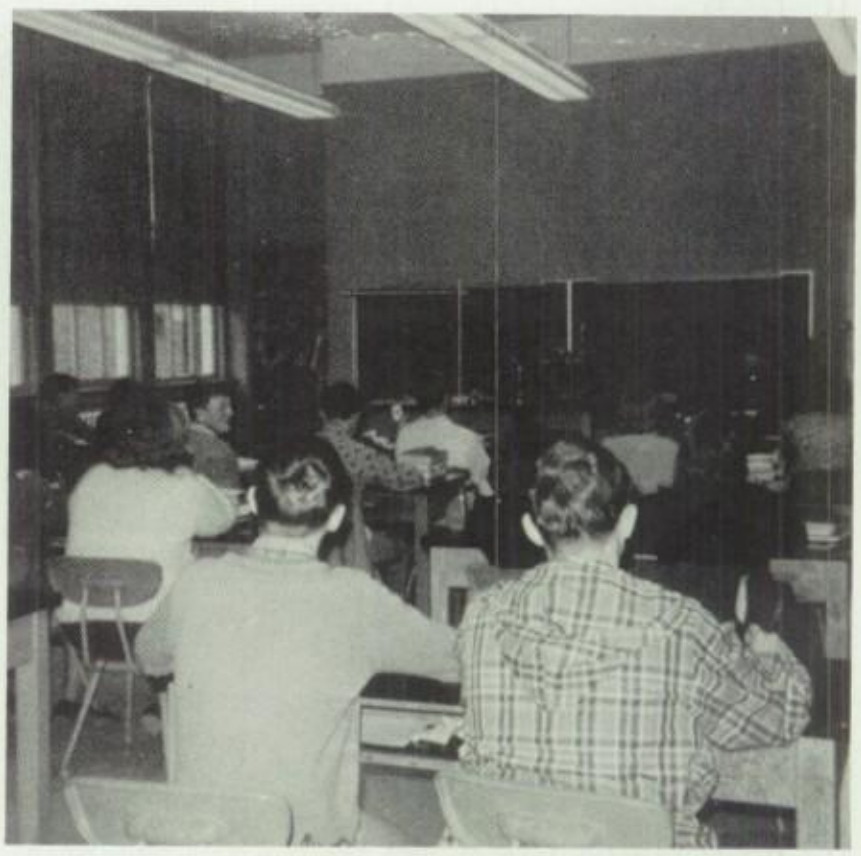
Happiness is a friendly teacher.



Happiness is not discovering your typing errors.



Happiness is goofing-off in study hall.



Happiness is not studying the inside of a frog.

Dedication

"Grace was in all her steps, heaven in her eye,
In every gesture, dignity and love."

This was she. In every thought she possessed, in every word she spoke, in everything she did – her love shone like a great light in a dark night. In moments of despair her courage has strengthened us; in moments of difficulty her understanding has directed us; in moments of joy our joy was hers. Her great spirit has lead us from those "green freshman days" to this moment of departing. She has taught us many things but the greatest thing we learned was the principle of Christian love. She has left us with something that makes us better equipped to walk the roads of life. Knowing her has made us better people. So with this small "thank you" we, the 1967 Annual Staff, dedicate this book to you, Mrs. Jeanette Wooten.

Appreciation

"To everything there is a season and a time to every purpose under heaven." Four years, with their changing seasons, have come and gone. In those four years we have gotten to know and grown to love four people. These four people have endeavored to excel our minds in the fields of English, math, commerce, and French. But their contribution went beyond a formal education. They have given us a gift that is priceless — the gift of friendship. They have guided us through the halls of M.H.S. to that threshold which is now set before us. The time has come for departing. The years will come and go. But what they have taught us as students and as maturing young people will remain with us forever. So in these simple words of appreciation, Mrs. Brandon, Miss Carter, Mrs. Belote, and Mrs. Shaw, we salute you.

CLASSES

Senior Class History

On June 1, 1967, the fifty-eighth graduating class of Mayfield High School will pass through the doors of the auditorium for the last time as students in this institution, each one of us taking a different road to life. Before we separate from each other it is well to recall the stages of life that preceded this important day.

In 1955 we took our first feeble step toward the educational community. We left the safety of our homes for the unknown and forbidding world of grammar school. Adjusting to the new environment like the mature young men and women we were, we soon began to form and cement many of the friendships that have lasted us until the present.

From many varied backgrounds, from locations throughout the great land, from Texas to Rhode Island, we gathered together in common goal – education.

In 1961 we were united for the first time on the campus of Mayfield High School as students of Webb Junior High. Our band was selected to represent the state of Kentucky in the Music Man Festival in Mason City, Iowa.

When the old system vanished, and along with it Webb School, we were forced to make the transition to high school life. Recovering from our momentary fear of the "frightening old men and women" in the upper classes, we soon found ourselves even enjoying the change.

In 1963 we were admitted to the student body as freshmen, eager to equal or surpass the records set for us by preceding classes. Our participation in music, athletics, and other extra curricular activities was an education in itself, as we learned further to live with our friends. This was also the year we shared with the upper classes the thrill of a Mayfield basketball team involved in a state tournament.

The year began brightly, but was soon darkened by the tragic and unjust death of our President; perhaps at the time we did not fully understand the significance of this event, but today, as some of us prepare to travel to the Orient in defense of the American ideal, we cannot help but remember November 22, 1963, with a heart of gray.

Pursuing our studies, our athletics, our activities, we found the time passed swiftly. Before we were aware of it, we were involved in the magazine sale, earning money for our prom, Shower of Stars, which will remain forever one of our fondest memories. One of us was elected state president of the Kentucky Young Historian's Association, and another secretary of the state F.H.A. We were becoming aware of the world outside Mayfield.

Seven of our class were elected to the National Honor Society in the Junior year, and fourteen more, in the Senior year. Six among us were chosen to represent MHS at Bluegrass Boys' State, and two others, Girls' State.

Our football team placed among the top ten teams of the state. Our basketball team began rebuilding under a new coach, a process which resulted in an excitingly strong team in this, our Senior year.

With the receiving of our class rings at the Senior ring dinner, we became even more aware that this was to be our last year at Mayfield High. A sad year because we will be severing connections with which we have lived for many years, but a happy year, too, because we are eager to embark on our great new adventure.

SETTLERS AT WORK

Chapter 3

IN THE BEGINNINGS OF GOVERNMENT IN THE UNITED STATES

The roots of American government reach deep into the past. For centuries of experience in the ways of self-government lie behind the written political constitutions under which we live today. Where did this all begin? Not in the United States. But it was in the United States that it was to become united to parts of what was to become the United States. And it was the English who came to this land. It was the English who made the first permanent settlements. It was the English who came to control the thirteen colonies along the Atlantic seaboard.

Our English Heritage. The French, Spanish, Dutch, Norwegians, and other Europeans settled in parts of what was to become the United States. But it was the English who came in the largest numbers. And it was the English who came to control the thirteen colonies along the Atlantic seaboard. It was the English who came to control the land for 1,500 miles along the Atlantic seaboard.

These early pioneers who cleared the wilderness and fought all the hardships had to look one to the other for help. Their future in the New World was their own. They came here in search of freedom from

Founding fathers of Philadelphia, the center of early English settlement, developed democratic ideals. Many of these ideals have become part of our American heritage.

The Colonial Period

Our ideas and institutions of government and politics come from the English. They brought with them the ideas of limited government and civil liberties. That is, that government is restricted in what it may do, and especially that it is bound by the written

of which are to be found today — trial by jury, habeas corpus, and justices of the peace. An example. And all of these were well known in England long before the first English-men ever heard of America.

(1) *The Basic Concepts of Limited Government and Civil Liberties.* They brought with them, too, the basic ideas of limited government and civil liberties. That is, that government is restricted in what it may do, and, especially, that it is bound by the written

that each man has certain rights that government cannot injure or take away. These great principles of freedom were proclaimed in such historic English documents as the Magna Carta in 1215, the Petition of Right in 1628, and the Bill of Rights and the Act of Toleration of 1689.

(2) *The Concept of Representative Government.* A third vitally important concept brought to America in English ships was that of representative government. For centuries there had been developing in England the

Autographs

Mrs. Wilson
I've surely enjoyed working
in the office. It's been a thrilling
experience for me. I'm also looking
forward to the workout! You've
been so kind to us in the office.
We always appreciate someone
who treats the seniors with
the kindness you have given us.
Next year won't be the same for
we'll have no office to work in. We'll
miss it!
Love, Phyllis

ATHLETICS

Football '66

Although the season's beginning was a week away, Mayfield was host to a jamboree football game which they won with victories over Crittendon County, 14-7, and Hopkinsville, '65 state champs, 6-0. September 2 was a hot, humid night and it proved as much to the Caldwell County fans as their highly rated team was tied by a quicker, defensive minded Mayfield, 6-6. A big Bowling Green team fell the folowing week to Mayfield, 20-6, and Cardinal fans turned their eyes toward the Tigers of Murray High. Disaster struck though with an injury to Mayfield's excellent end, Frankie Harris, lost for the season. Mayfield defeated Murray 27-18 with probably the best offensive showing of the year. Ahead by only one point at the half, Mayfield fell behind but rose and dominated the ball game with two touchdowns in the final half. High in spirit for the past three weeks, the Cardinals were down for the game with Cape Girardeau and lost by a touchdown, 12-6. Cardinal hopes were again set back with an injury to slotback, Dennis Williamson, who was lost for three weeks. Franklin-Simpson won over the much smaller Red Birds the next week, 12-0. Hopkinsville, a powerful team, took the next game 41-0. The Cards seemed to lose their spunk when the captain and center of the defensive and offensive teams, Joey Slaughter, was knocked out in the opening minutes of the game.

Then, with the recovery of their captain, the Red Birds traveled to Madisonville and with a fine effort defeated the Maroons 14-0. The following weekend, the sterling defensive unit for the Cardinals held a highly ranked team from Germantown, Tennessee, to 6 points but lacked an offense. Metroplis received a blow from the newly organized Cardinal and was defeated 52-13 which set the momentum, it was hoped, that was needed to beat Tilghman in the colorful rivalry the following week. Tilghman lay stunned at the close of the game, beaten 14-6.

This year's team finished with a 5-4-1 record. Eight senior boys who have played fine football, finished their career having never lost to a Tilghman team. Congratulations to an excellent team of which it was said by "experts" that all it lacked was size, speed, ability, and experience. This team proved itself to be of tremendous size, although lacking in stature!

1967 Football Queen

CAROL CRAWFORD

Football Homecoming

On October 21 the 1966 homecoming football queen was crowned in a beautiful ceremony preceding the Mayfield vs. Germantown, Tennessee, game. The queen received a dozen red roses, a crown, and a scepter. The queen's attendants each received a bouquet of mums. The queen and her court were attired in different colored suits, breaking the traditional formal dress, much to the approval of the fans.

Season of '67

On November 24, Coach Don Sparks and his Cardinals opened 1966-67 basketball season by winning the St. Mary's Thanksgiving Tournament with wins over South Marshall, Reidland, and Lone Oak. After losing to Madisonville, the Cards bounced back with two successive wins over Murray and Calloway County before dropping a heartbreaker to Tilghman, 55-50. Having won two games in the Calloway Christmas Tournament, the Redbirds gained the finals only to be defeated by a fired up Calloway team. Closing out campaign before Christmas, the Cards soundly stomped South Marshall.

After the Christmas lay-off the Cardinals beat Hughes-Kirk before traveling to Union City and being upset by the Golden Tornadoes.

With revenge in their minds, the Cardinals got back on the winning road by defeating Paris, Tenn., and Sedalia before the semester ended.

The Cards started again on January 24 with wins over Fulton, Murray, and Carlisle County. The following week began with a victory over Sedalia and ended with a win over highly regarded St. Mary's and a homecoming victory against Daviess County.

The Redbirds kept up the winning tradition by defeating Benton, Fulton, Fancy Farm, and Caldwell County to extend their winning streak to twelve games as the regular season came to a close.

With a regular season record of 21 wins against only 4 losses, the high-flying Cardinals seem to have the desire and talent it takes to go all the way to the State Tournament.

Basketball Queen

VICKI RUSSELL

Basketball Homecoming

The sound of music in the background, the smell of roses, and five lovely girls composed one of the prettiest homecomings ever to be held at M.H.S. On February 4, at 7:30 Miss Vicki Russell was crowned 1967 Basketball Queen. The girls set a new trend for basketball homecomings, each wearing different colored suits. This seemed to meet the approval of everyone and will probably be continued in future homecomings. The night was completed by the "Cards'" defeating Daviess County, 65-54.

Beaver Simpson
Len King
Coach Weurtzer
John Smith

Last year's edition of the MHS golf team was among the state's finest. In addition to winning its third straight regional crown, the team capped a most successful season by placing fifth in the state tournament. Four members who will be returning to defend their regional championship this spring are John Smith, John Barclay, Howard Cochran, and Beaver Simpson.

Varsity Cheerleaders

Beverly Rogers
Sarah Stone
Jane Green
Kay Pyle
Betsy Sanders
Vicki Russell

This year the cheerleaders dedicated themselves to boosting school spirit by encouraging more student participation in skits, pep parades, bonfires, and by helping paint store windows. Long hours of hard work were spent practicing yells and learning new ones.

During the summer, they attended national cheerleader camp at the University of Kentucky and placed second in competition with about 90 squads. They gave up many outside activities to decorate goal posts and lead the cheering at basketball and football games. They also planned and hosted pep rallies, homecomings, and the intersports banquet.

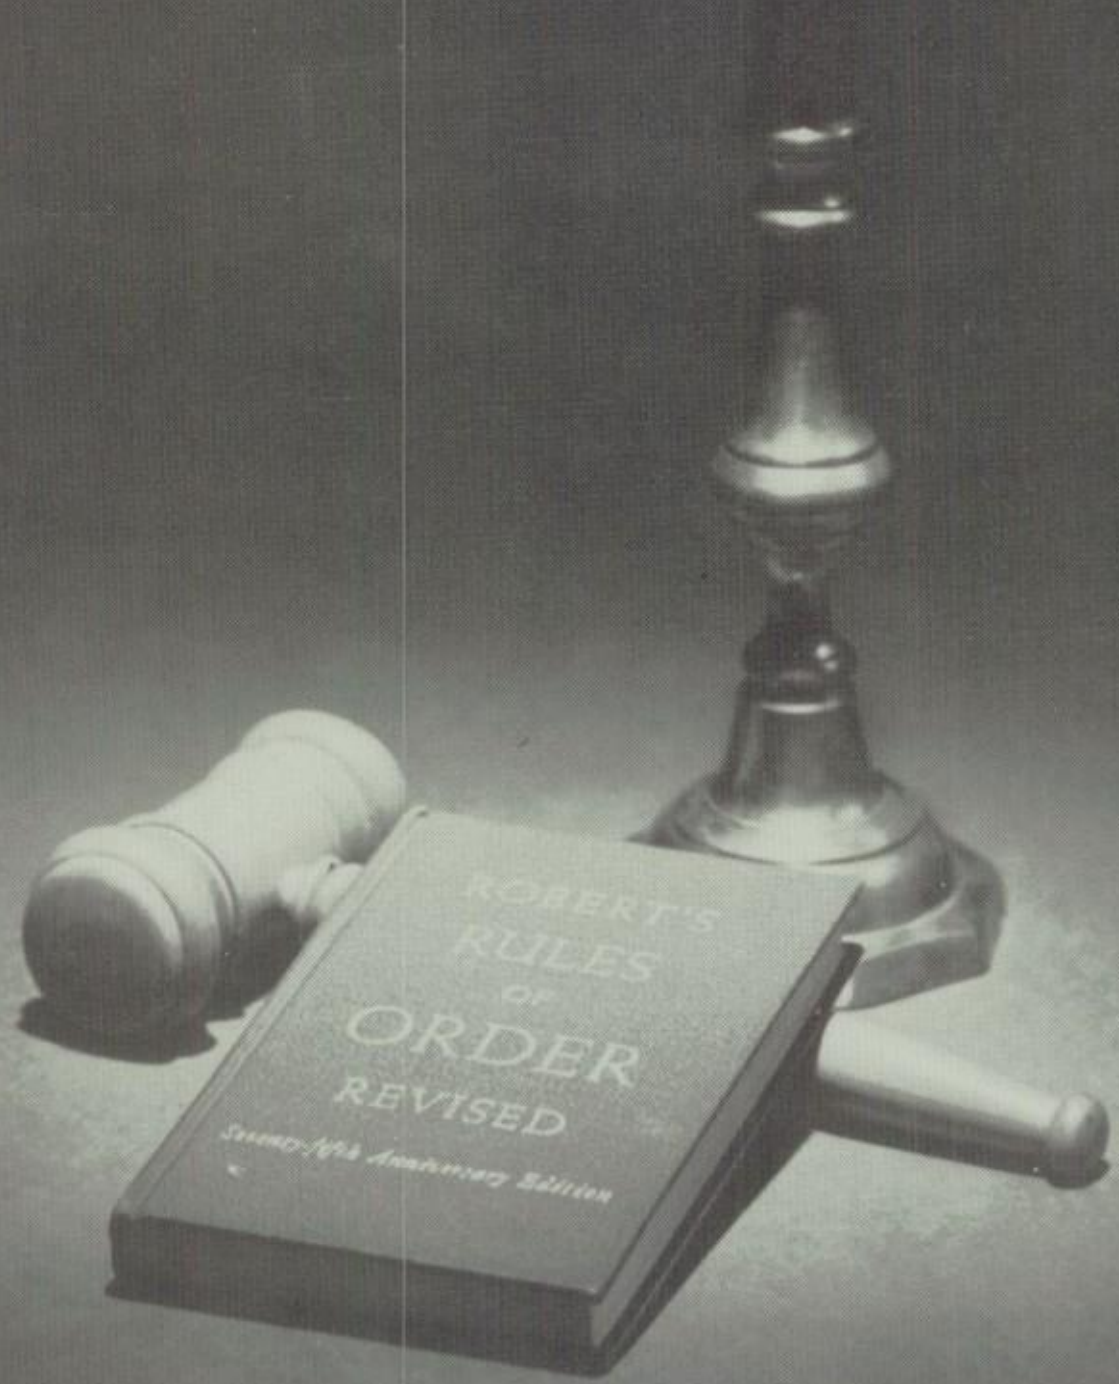
Cheerleaders are an important asset to M. H. S. and they deserve the thanks and congratulations of the entire student body for a job well done.

Freshman Cheerleaders

Debbie Rambo
Jenna Peak
Patricia Harris
Cynthia Hawkins
Sarah Pierce
Carolyn LaNeave

Leading the "green freshmen" on to victory this year were six enthusiastic girls. These girls played a vital role in making this year's team successful. For their hard work, enthusiastic school spirit, and deep efforts, M. H. S. extends its warmest thanks.

ORGANIZATIONS



National Honor Society

Citizens, a certainty — Leaders, a probability — Mature adults, hopefully. These constants ever remain within the framework of the National Honor Society. To be elected is to be considered by both faculty and students, who rate prospective members, as exemplifying high ideals of scholarship, citizenship, leadership, and service.

Only fifteen percent of each Senior class ever reach this high honor. Members of the society for the 1967 school year are: left to right seated, Betsy Sanders, John Kennedy, Ed Brown, Ellen Neely, Genny Kolb, Carol Rehm, Martha Bell, Libby Berry, Ardith Reynolds, Joe Slaughter, John Barclay, and Beth Holloway; standing, Mary Thomas, Jane Green, Phyllis Myers, Allan Rohrer, Bill Stahr, Mike Monroe, Phil Morgan, David Hilliard, John Sharber, Alan Harrington, Roger Kendall, Richard Chapman, Steve Brien, Al Lookofsky, and Dennis Williamson.

As a result of long hours of hard practice, Mayfield's fine marching-concert band has provided hours of enjoyment, thrills, and most of all — a step forward in achieving an appreciation of instrumental music. Each year the band lives up to its well-established heritage of achievement. Last year at the Kentucky Music Educators' Music Festival at Murray State University judges honored the band with an outstanding rating of one superior and two superiors plus. In addition to hosting the Tobaccoland Marching Band Festival each year the band performs at concerts, pep-rallies, and football games.

Annual Staff

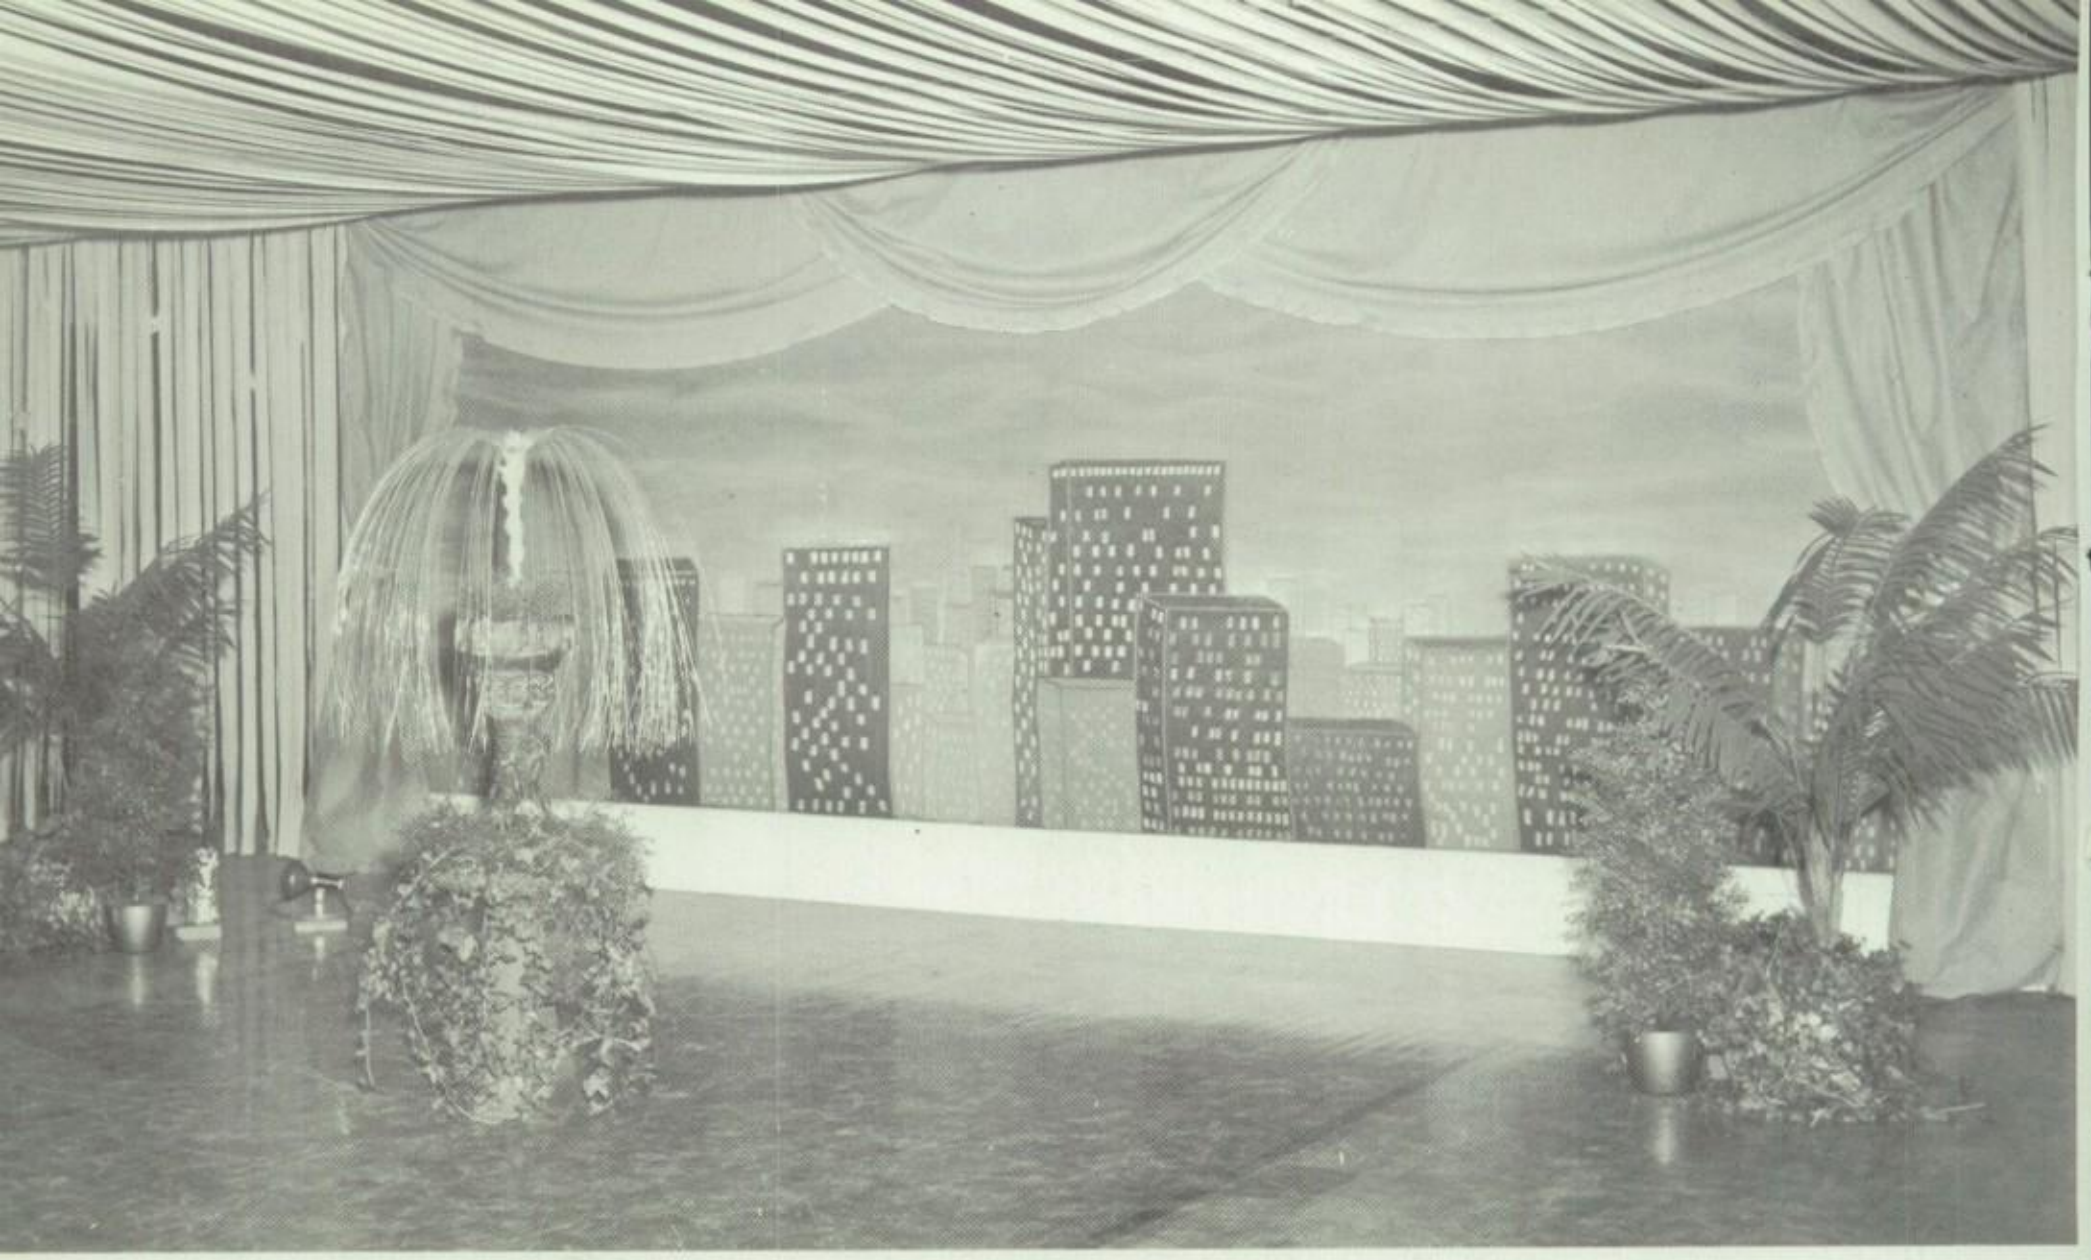
The enjoyable summer ended and the Annual Staff's enjoyable but difficult work began – work with a goal, writing of the finest annual. Strong management is a necessity; Beth Holloway, editor and Ellen Neely, her assistant – provided just this for the capable Annual Staff. The staff began work with good o'le weeny roast which ended with the dignified Seniors playing games while sitting on the front lawn.

Time moved on, and with it the ideas of the Staff. Meetings were held in preparation for the promotion skit. The skit was rumored to have been one of the best. Sales began and ended with well over 600 Annuals being sold.

Serious work arrived as the deadlines began to fall. Some well planned articles were written with surprising quickness!

Oh, the work; oh, the pressing duties; but, oh, the fun of opening and reading the 1967 CARDINAL.

ACTIVITIES



As we entered the covered walk-way, one of the greatest and most memorable nights of our lives was about to begin — the 1966 Junior-Senior Prom.

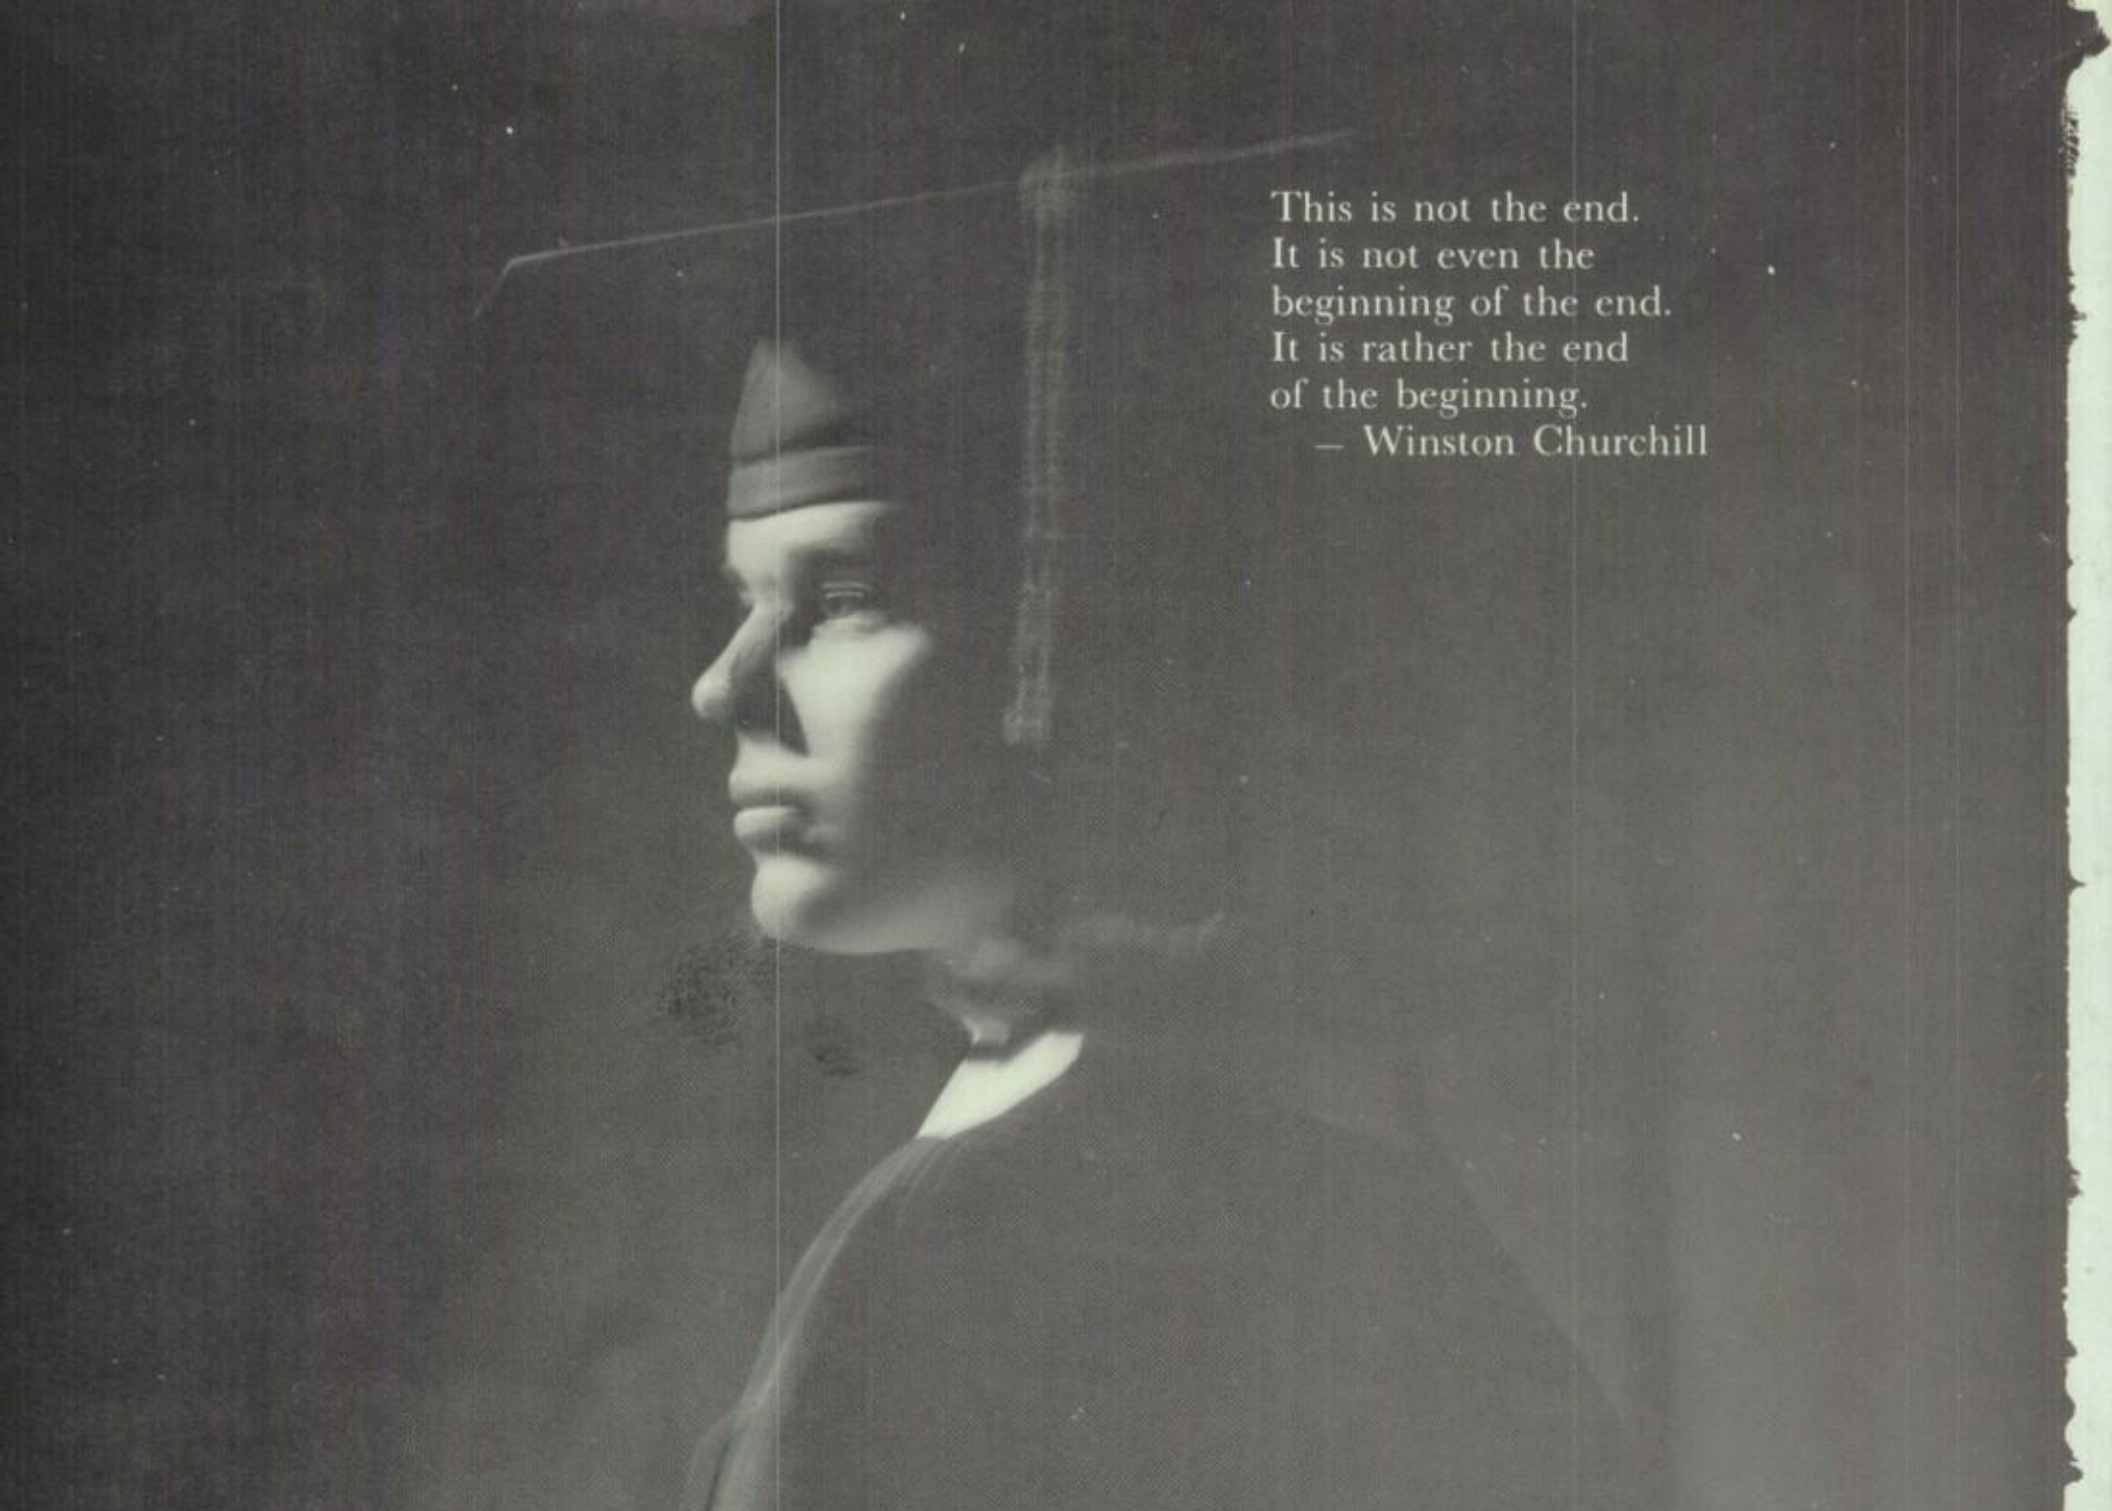
The gymnasium had been transformed into a ballroom featuring the mural with a background of city lights. The theme of our prom was An Enchanted Evening.

In the middle of the room was the center attraction — a fountain. From the ceiling hung a crown of streamers in the contrasting shades of blue. The serving table was beautifully arranged with fresh flowers, and was manned by the Junior class sponsors.

The band honored was "The Merits." At the stroke of midnight, our ballroom was vacated, and every person who had been present, departed with a night he will cherish forever.

On Thursday, October 2, the seniors highlighted their last year at Mayfield High School with the sixth formal presentation of senior rings. After dinner among a beautiful arrangement of fall decorations, each senior received his ring. As we gazed at our rings, many warm memories flashed through our minds; for these rings represent many treasurable memories of our dear Alma Mater, Mayfield.

Ring Dinner



This is not the end.
It is not even the
beginning of the end.
It is rather the end
of the beginning.
— Winston Churchill

We leave behind a record which we hope will not stand as such, but rather serve as a guide for those who follow. To the faculty we express sincere gratitude for the things you have endeavored to teach us. To our fellows, we say a fond farewell. We shall never forget Mayfield High School or the people that brought it to life in a wealth of experience.

O Memory! thou midway world
'Twixt earth and paradise,
Where things decayed and loved ones lost
In dreamy shadows rise.
— Abraham Lincoln

Mrs. Wilson,

I know you will miss all us seniors (JOKE). You have been a wonderful friend. I would like to wish you the best of luck in the future.

Beaver Simpson

Mrs. Wilson,

It has been a pleasure knowing you these four years. It's good to have an adult friend and that is what I hope you will remain.

Vicki Russell

P.S. It certainly is sad to leave, but MHS will go on without the class of '67 with your help.

Mrs. Wilson,

It has been fun working in the office with you even if I didn't. I hope when I get to be band director here, you are still working in the office. I hate to leave but it's in good hands and I'll see you around next year.

John Davis

Mrs. Wilson,

I can't begin to tell you how much I think of you. It was good to always know you were there to help if we needed you. Thank you for helping me with my job at Goodyear. May we always remain friends.

Sincerely,

Janet
